Appending your domain name with **.tattoo** will not only allow for more creative naming possibilities for your website, but also communicate boldly what visitors can expect to find there. Whether a first-timer or a veteran, consumers looking to permanently make a statement will know that your offering will help them do just that.

by DEFENCE INTELLIGENCE

Security Assessment

Identify undetected malware on your network

Effective for unknown, zero-day threats

Assess your compromise risk level

Actionable intelligence in a comprehensive report

Minutes to configure - no extra overhead

How does it work?

Defence Intelligence has a unique approach to security. Harbinger requires no client side hardware or software installation. Harbinger focuses on DNS traffic and needs only high level data to provide deep level detail.

Our proprietary compromise detection tools are backed by a team of expert threat analysts. We can quickly and thoroughly determine if your network is compromised, at risk of compromise, and if new security considerations should be made for your network safety.

At the conclusion of each Harbinger Compromise Assessment, the client will receive a compromise summary report.

Branding

Web Design

The screenshot shows the homepage of Virtucom Metals. At the top left is the logo "VIRTUCOM METALS" with "VIRTUCOM" in blue and "METALS" in green. To the right is a green box with the phone number "1-877-330-2855". Below the logo is a navigation bar with links: "Home", "About Us", "News", "Careers", and "Contact Us". The main banner features a blue-tinted image of a water jet cutting a metal part. Overlaid on this image is the text "The Latest Technology. The Fastest Turnaround." followed by "We are committed to continuous improvement, both on and off the shop floor." and a "Learn More >" button. Below the banner is a call-to-action section with the text "Call 1-877-330-2855 for a custom quote or send a CAD file directly" followed by a blue arrow pointing to a green "Request a Quote" button. At the bottom are three white boxes with blue icons and text: "Water Jet Cutting" (with a spiral icon), "Custom Fabrication" (with a bicycle icon), and "Lean Thinking" (with a lightbulb icon). The footer contains a navigation bar with links "Home", "About Us", "News", "Careers", and "Contact Us", and the text "ISO 9001:2008 and Controlled Goods Certified View" on the right.
